If you send your official transcript to one of the three services listed below, they will forward to us your official transcript along with the evaluation, which will fulfill both checklist items on your application: 1) Official Transcript; 2) International Transcript Evaluation; thus, you will not have to submit your official transcript to us as the evaluation company will take care of it.

If you do go ahead and have your originating institution send us your official transcript you will still need to send your original transcript to the evaluation company so that we may receive the International Evaluation.
