

3344-16-05 Faculty-student ratio.

- (A) The ratio of fulltime equivalent (FTE) students to fulltime equivalent faculty (all teaching faculty, bargaining and -non bargaining) shall be maintained at a value not to exceed 20:1 across the university, with a limit not to exceed a ratio of 25:1 for any individual college.
- (B) The administration and the CSAUP recognize the need to maintain a strong complement of fulltime tenure track faculty. Therefore, if either of the ratios specified above is exceeded for two consecutive semesters (not including summer session), representatives of the administration and the CSAUP shall meet to develop a strategy to restore these ratios.
